

City Tour, May 4 2014

In the morning (10:00 AM), we will depart from the hotel to the **Biocentro Güembe** which is located 25 minutes away from the city. Once there, we will have a relaxing walk through exotics gardens, surrounded by natural pools in a beautiful 23 hectares park.

Lunch will be served in the park.

Then, we will have a city tour consisting in a three hours walk across the most attractive sites in Santa Cruz, the major monuments, the residential neighborhoods, and we will end with a stop by a local market.

It is recommended to wear appropriate clothes, walking shoes, a hat, and to bring a swimming suit, camera, sunscreen and mosquito repellent.
